Blue Dye

For Use In Ornamental & Decorative Koi Fish Ponds

TREATS 2,400
GALLONS OF WATER

Koi Worx Pond Dye is a safe water colorant designed to give your ornamental pond an attractive, natural blue appearance.

DIRECTIONS FOR USE:
Use 2oz. to treat 300 gallons of water. **Do not over treat. Always add recommended dose and wait 24 hours before adding any additional dye. Add additional dye in small amounts until you reach desired color.** Apply by pouring dye into pond. Add pond dye every time water is added or color starts to fade. Koi Worx Pond Dye is safe for koi, goldfish, wildlife, pets and plants when used properly.
