

Anti-foam

No Foam

CAUTION:
KEEP OUT OF REACH OF CHILDREN

Avoid contact with eyes and skin
See back panel for additional Precautionary Statements First Aid
Net Contents: 1QT (946.3ml)

Directions For Use

Eliminate unwanted foaming in recirculating sprayers and other highly agitated solutions. Controlling foam reduces filling time and lessens overflow waste. Shake well before using. Add No Foam to spray mixtures before the pesticide or any additional surfactant. Agitate to disperse various components. Add 1 to 2 oz. of No Foam per 100 gallons of spray mixture. For recirculating sprayers add 4 oz. per 100 gallons of spray mixture. If foam has already occurred, add 6 oz. per 100 gallons of spray mixture. **NOT FOR AQUATIC USE.**

First Aid

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **If on skin:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **If swallowed:** Call a poison control center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. **If inhaled:** move person to fresh air. If person is not breathing, call 911, then give artificial respiration, preferably by mouth-to-mouth. Call a poison control center or doctor for further treatment advice.

Storage and Disposal

Do not reuse container. Do not contaminate water, food, or feed by storage or disposal. Dispose of container by rinsing and offering for recycling or disposing in a safe manner in accordance with federal, state and local regulations. Store above 45°F. Do not use this product in a manner inconsistent with labeling.
