	SECTION 5: Fire-fighting measures			
Suitable extinguishing media : Foam. Dry powder. Carbon dioxide. Water spray. Sand.	Suitable extinguishing media	: Foam. Dry powder. Carbon dioxide. Water spray. Sand.		
Jnsuitable extinguishing media : Do not use a heavy water stream.				

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

5.2. Specific hazards arising from the chemi	cal			
No additional information available				
5.3. Special protective equipment and preca	utions for fire-fighters			
	Use water spray or fog for cooling exposed containers. Exercise caution when fighting any chemical fire. Contain all water used for fire-fighting to the greatest extent possible.			
Protection during firefighting : Do not enter fire area without proper protective equipment, including respiratory protection.				
SECTION 6: Accidental release measure	es			
6.1. Personal precautions, protective equipment and emergency procedures				
6.1.1. For non-emergency personnel				
Emergency procedures : Evacuate unnecessary personnel.				
.1.2. For emergency responders				
Protective equipment : Equip cleanup crew with proper protection.				
Emergency procedures :	Ventilate area.			
6.2. Environmental precautions	h - 20 - 20 Million (al anti-anti-anti-anti-anti-anti-anti-anti-			
Prevent entry to sewers and public waters. Notify aut				
6.3. Methods and material for containment a				
Methods for cleaning up : On land, sweep or shovel into suitable containers. Minimize generation of dust. Store away from other materials.				
6.4. Reference to other sections				
See Heading 8. Exposure controls and personal prot	ection.			
SECTION 7: Handling and storage				
7.1. Precautions for safe handling				
Precautions for safe handling :	Wash hands and other exposed areas with mild soap and water before eating, drinking, or smoking, and when leaving work. Provide good ventilation in process area to prevent formation of vapor.			
7.2. Conditions for safe storage, including a	ny incompatibilities			
Storage conditions :	Keep only in the original container in a cool, well ventilated place. Keep container closed when not in use.			
Incompatible products : Strong bases, strong acids.				
Incompatible materials : Sources of ignition. Direct sunlight.				
SECTION 8: Exposure controls/persona	al protection			
8.1. Control parameters				
No additional information available				
8.2. Appropriate engineering controls				
No additional information available 8.3. Individual protection measures/Personal	Il protective equipment			
Personal protective equipment:				
Avoid all unnecessary exposure.				
Hand protection:				
Wear protective gloves				
Eye protection:				
Chemical goggles or safety glasses.				
Respiratory protection:				
Wear approved mask.				
Other information:				
When using, do not eat, drink or smoke.				

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

SECTION 9: Physical and chemical	
9.1. Information on basic physical and	
Physical state	: Solid (tablet)
Colour	: Off white
Odour	: Characteristic
Odour threshold	: No data available
рН	: No data available
Melting point	: No data available
Freezing point	: No data available
Boiling point	: No data available
Flash point	: No data available
Relative evaporation rate (butylacetate=1)	: No data available
Flammability (solid, gas)	: Non flammable
Vapour pressure	: No data available
Relative vapour density at 20 °C	: No data available
Relative density	: No data available
Solubility	: Dispersible in water
Log Pow	: No data available
Auto-ignition temperature	: No data available
Decomposition temperature	: No data available
Viscosity, kinematic	: No data available
Viscosity, dynamic	: No data available
Explosive limits	: No data available
Explosive properties	: No data available
Oxidising properties	: No data available
9.2. Other information	
No additional information available	
SECTION 10: Stability and reactivity	y
10.1. Reactivity	
Nie is dell'de se l'informa e de su se l'al-la	

10.1.	Reactivity
No additi	onal information available
10.2.	Chemical stability
Not estab	blished.
10.3.	Possibility of hazardous reactions
Not estab	blished.
10.4.	Conditions to avoid
Direct su	nlight. Extremely high or low temperatures.
10.5.	Incompatible materials
Strong ad	sids. Strong bases.
10.6.	Hazardous decomposition products

Carbon monoxide. Carbon dioxide.

SECTION 11: Toxicological information	on
11.1. Information on toxicological effects	
Acute toxicity	: Not classified
Skin corrosion/irritation	: Not classified
Serious eye damage/irritation	: Not classified
Respiratory or skin sensitisation	: Not classified
Germ cell mutagenicity	: Not classified
Carcinogenicity	: Not classified
Reproductive toxicity	: Not classified
Specific target organ toxicity (single exposure)	: Not classified

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

according to Federal Register / Vol. 77, No. 58 / Monday, I	Narch 26, 2012 / Rules and Regulations		
Specific target organ toxicity (repeated exposure)	: Not classified		
Aspiration hazard : Not classified			
Potential adverse human health effects and symptoms	: No additional information available		
SECTION 12: Ecological information			
12.1. Toxicity			
No additional information available			
12.2. Persistence and degradability			
Koiworx Muck Reducer			
Persistence and degradability	Not established.		
12.3. Bioaccumulative potential			
Koiworx Muck Reducer			
Bioaccumulative potential	Not established.		
12.4. Mobility in soil			
No additional information available			
12.5. Other adverse effects			
Other information : Avoid release to the environment.			
SECTION 13: Disposal consideration	s		
13.1. Disposal methods			
Product/Packaging disposal recommendations	: Dispose in a safe manner in accordance with local, state, and federal regulations.		
Ecology - waste materials	: Avoid release to the environment.		
SECTION 14: Transport information			
Department of Transportation (DOT)			
In accordance with DOT			
No additional information available			
SECTION 15: Regulatory information			
15.1. US Federal regulations			
No additional information available			
15.2. International regulations			
CANADA			
No additional information available			
EU-Regulations No additional information available			
National regulations No additional information available			
15.3. US State regulations No additional information available			

Other information

: None.
