

## Natural Vinegar Multi-Use Product

# Vinegar

### ABOUT THE PRODUCT

Concentrated vinegar can be used for many household solutions. There are hundreds of recipes for cleaning, laundry, and automotive. **Use caution when using concentrated vinegar. Wear gloves, long sleeves, and eye protection to avoid burns to skin and eyes.**

### Common Uses

Available in 20% and 30% Quarts and Gallons

For regular cleaning mix 1 part vinegar to 5 parts water. For heavy duty cleaning mix 1 part vinegar to 2 parts water.

**Laundry:** To restore whites, soak clothing in full strength vinegar overnight and wash the next morning.

**Clean up Pet Accidents:** Blot up area and then apply 1 part vinegar 2 part water solution. Blot until mostly dry. Sprinkle baking soda over the area and let dry. Vacuum up residue the next day.

**Remove Mildew/Grime** from tile, tub, and shower; wipe with undiluted vinegar and rinse with water.

**Remove Water Spots** on shower doors spray full strength vinegar before you step in and turn on water. Squeegee glass when finished.

**Clean Cloudy Glassware:** Soak a paper towel with full strength vinegar and wrap the inside and outside of the glass. Let sit for several hours before cleaning.

**Coffee Maker Cleaner:** Fill the water reservoir with 1 cup of vinegar and run a cycle. Run at least 2 more cycles with water to rinse. Always follow owners manual for cleaning.

**Prevent Frost on Windshield:** Spray full strength vinegar on car windows to prevent frost from forming in the winter. Will last a couple weeks.

**Remove Adhesive:** Let full strength vinegar soak into adhesive for several minutes before trying to peel off. Repeat as needed.
