Shake Well Before Use

Koi Worx Defoamer is a safe, non-toxic anti-foaming product designed to give your ornamental or decorative garden pond an attractive, smooth surface.

DIRECTIONS FOR USE:

Shake well before use. Use 2oz. to treat 300 gallons of water. Add Defoamer every time water is added or foaming is present. Defoamer should be applied weekly for best results. Koi Worx Defoamer is SAFE for koi, goldfish, wildlife, pets and plants.

Avoid contact with eyes, skin, or clothing. Do not ingest. If ingested, rinse mouth. Do not induce vomiting and obtain emergency medical attention. If in eyes, rinse immediately with plenty of water. Obtain medical attention if pain, blinking or redness persists. If on skin, remove affected clothing and wash all exposed skin area with mild soap and water, followed by warm water rinse. If inhaled, allow victim to breathe fresh air. Do not use this product in streams, rivers or other bodies of water not under control of the user.

 **WARNING:** This product can expose you to chemicals including ethyl acrylate which is known to the State of California to cause cancer. For more information, go to www.P65Warnings.ca.gov.
