Startup Water Prep

**TREATS 4,800
GALLONS OF WATER**

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

Treats 4800 Gallons of Water
Net Contents: 1QT (946.3ml)

Koi Worx Prep is beneficial to new ponds and immediately after a water change. Use Kio Worx Prep to supercharge naturally occurring bacteria for a healthy pond.

DIRECTIONS FOR USE:

Use 2oz. per 300 gallons every week for the first 90 days to ensure fish safety and a fresh start up. Running aeration equipment in conjunction with Koi Worx Prep is beneficial and can enhance results.

Prep can be used safely in water containing dyes, and is compatible with a majority of ammonia test kits. However, readings may vary depending upon area of use.

Koi Worx Pond Cleaner is SAFE for koi, goldfish, wildlife, pets and plants.

First Aid: If inhaled, allow victim to breathe fresh air. If on skin, remove affected clothing and wash all exposed skin with mild soap and water, rinse. If in eyes, rinse immediately with plenty of water. Obtain medical attention if pain, blinking or redness persist. If ingested, rinse mouth. Do not induce vomiting. Obtain emergency medical attention if needed.
