Mulch Worx restores old faded mulch to a beautiful, freshly landscaped appearance. Mulch Worx adds instant curb appeal to any home or business.

Directions: First apply water to sidewalks or other areas where treatment is not desired. Shake well before using. Mix 2-5 ounces of concentrate per gallon of water in a pump type sprayer. Set nozzle to medium mist. *Always test a small area for desired mixture. Apply 2-3 coats from different directions for best results and even appearance. Allow a few minutes between coats.

Mulch Worx is a commercial grade, professional pigment intended for a longer lasting, beautiful result. Do not allow over-spray to dry on undesired areas. Rinse as soon as possible.

Avoid contact with skin. Wear rubber gloves when applying pigment to prevent hands from staining. If product comes into contact with skin, wash thoroughly. In case of eye contact, rinse cautiously with water. If irritation persists, contact a physician. If swallowed, rinse mouth. Do Not induce vomiting. Contact physician immediately. Do not reuse this container. Manufacturer is not responsible for misuse.

Safe for all pets, plants, and humans.

 **WARNING:** This product contains chemicals known to the State of California to cause cancer. For more information, go to www.P65Warnings.ca.gov.
