- **Not Intended to Kill Algae**
- **Breaks down organic contaminants & sludge caused by the environment**
- **Prevents stains, waterlines & mineral deposits**
- **Keep birds coming back by keeping water clean**

CAUTION:
KEEP OUT OF REACH OF CHILDREN
Net Contents: 8 fl. oz.

Spend less time scrubbing your birdbath and fountain and more time enjoying its beauty. Safe for ceramic, marble, plastic, rubber, and stone.

Note: No restrictions for birds or wildlife when used as directed.

Directions: For best results start with a clean birdbath or fountain. Add 1 ounce per 5 gallons of water. Use weekly. Overdosing may cause foaming.

Contains: Anaerobic and aerobic bacteria that safely breaks down organic contaminants, sludge, waterlines and organic stains caused by the environment.
